14 August 2014

Outline

- ADP 1-02
- ADRP 1-02
- Terminology and Symbology Database

Army Doctrine Publication 1-02

- Provides foundational doctrine for establishing and using terms, acronyms, and symbols.
- Address the importance of terms & symbols in effectively understanding doctrine and in conducting military operations.

Army Doctrine Reference Publication 1-02

- Builds from the ADP 1-02 foundational doctrine.
- Provides a compilation of approved Army operational terms, definitions, and acronyms.
- Terms listed in manual are commonly used in operations orders, or in operation cells of a command post during operations.
- Army Proponent publication for all military symbols.
- Provides single standard for developing and depicting hand-drawn and computer generated military symbols.
- Provides selected joint terms, definitions, and acronyms frequently used in Army doctrine.
- Doesn’t include Army branch or functional area specific terms that have limited use.

Website Based Terminology & Symbology

- Includes all Army doctrinal terms (including branch or functional area specific), acronyms, and symbols.
- Maintains current and superseded terminology, acronyms, symbology, and rescinded data.
- Facilitates updating of terms by allowing authorized personnel to make immediate updates/changes.
- Filters terms from operational, branch specific, and rescinded.
- Capable of linking a term with a symbol.
- Makes current version more accessible to customer .
- Provides downloadable “full version” and or “compendium version” publications.
- Links to DOD Dictionary (JP 1-02).
